

Surrey Community Action

CHAIRMAN

Unpaid (out of pocket expenses reimbursed)

We wish to recruit a Chairman of our Board of Trustees

Surrey Community Action is the charity that supports voluntary and community action in Surrey and works with rural communities to help them to thrive. Our team of 36 staff offers advice, training and funding support to a network of over 3,000 voluntary groups in the county, managing funds of over £2 million. Our specialist community development team supports rural groups to help them identify and implement transport, enterprise, housing and other programmes that will improve their quality of life. We also advocate the views, needs and aspirations of our clients at county, regional and national levels.

We need someone who is willing to commit their time and experience to work with an energetic Board to guide our highly motivated organisation in achieving its mission and to ensure it is effectively managed. You should have strategic vision, independent judgement, an ability to think creatively and a passion for improving the lives of people in Surrey.

We are keen to maintain a diverse membership of the Board and we welcome applications from all sections of the community.
