Rural Housing Event

Community Led Housing

Funded by The Nationwide Foundation

Event Overview

This event is intended to explore a range of Community Led Housing models with a particular focus on Community Land Trusts. Central Government has recently awarded over £20 million to rural Local Authorities in the South West to be used for Community Led affordable housing projects. The event will discuss the issues around Community Led Housing and highlight the benefits of Community Land Trusts in bringing affordable housing forward. We will also visit the completed Norton-sub-Hamdon CLT homes.

Sessions will cover:

- What is Community Led Housing
- Proposal for a Devon, Dorset and Somerset Community Housing Hub
- Details of the Community Led Housing Fund
- Different models for Community Land Trusts
- Local Authority and District Councillor views
- Visit to Norton-sub-Hamdon CLT homes

Benefits of attending

- Chance to discuss recent developments in Community Led Housing
- Chance to hear about and compare different CLT models
- Ability to question experts in the field
- Opportunity to network with other professionals in the affordable housing area

Who should attend

District and County Councillors, Housing Enablers, Land Agents, Architects, Planners, Developers and other people involved in the promoting and planning of affordable housing schemes
